Thickness:	...

- A revolutionary combination of superior oil grip, wet grip, dry grip, and excellent abrasion resistance combined with dexterity and tremendous breathability.
- The patented micro-capillary nitrile foam technology that is incorporated in the gloves draws oil and water aside and thus frees up the palm surface of the glove for a solid grip.
- ANTIWET treated which ensures that liquids even on the nylon handback repels.
- Actifresh®-treated; a treatment that kills bacteria and provides a magnificent freshness.

**Suitable for:** Assembly and finishing | Metal fabrication | Assembly of white goods | General site & factory maintenance | Warehouse work and general handling.

The descriptions, characteristics, applications and photos are given for information purposes and do not constitute a contractual commitment. The manufacturer reserves the right to make any modifications deemed necessary.
