

Product data sheet

V-Gard Flame-Retardant Supreme 2 Piece Liner

This winter helmet liner offers excellent protection against cold weather. Two layers of flame-retardant fabric for extra warmth. The liners also offer quilted earflaps so cap-mounted earmuffs can be used without compromising hearing protection levels. Extended nape and wrap around collar for tucking into coat/shirt. Water repellent.

- 100% cotton twill.
 - Adjustable chin strap.
 - Design prevents liner from obstructing vision. 100% high bulk acrylic.
 - 100% acrylic in bright yellow-green for greater visibility.
- Full face tube mounts.
